Your editing playground

Tap Edit PDF, then select any outlined text or image.

Client: María García

Try a longer name, Shrink to fit, Wrap, and Original / Edited.

Invoice total: $250.00

Two uses of the same image. Edit one without changing the other.

Drag to move. Use the corner handle to resize. Apply to commit.

More to try on the following pages:

2. Nested objects and mixed-font text
3. An embedded font with Spanish accents
4. An image-only scan for local OCR
